# From SE-EMAR Preface

This SE-EMAR 21 edition is issued in accordance with regulation FFS 2019:10. SE-EMAR 21 is applicable for the airworthiness certification of military aircraft and related products, parts and appliances, and design and production organisations.

**The regulation FFS 2019:10 is applicable for all organisations approved according to this SE-EMAR.**

## **However:**

- The intention is that a non-governmental organisation that complies with this SE-EMAR is considered to be compliant with the regulation FFS 2019:10 without any additional requirements.
- Organisations that conduct flight tests activities shall comply with additional requirement according to the regulation FFS 2019:10.

*Example from SE-EMAR 21 (M, 145, 147 are similar).*
